The aforesaid designs have been registered in respect of a range of Air Coolers in accordance with the provisions of the Design Act, 2000, and the Designs Rules, 2001.

Our client is marketing, selling and exporting the range of Air Coolers, domestically and internationally, having new, original and novel designs and also enjoys significant reputation and goodwill.

Further our client has acquired the intellectual property rights being a pioneer of all the above designs, shape marks and marks in the industry by use of the above intellectual properties, extensively and continuously, and people have associated the same, solely with our client.

Our client has always been vigilant in protecting its Intellectual Properties and have in past restrained several unauthorised persons, firms and companies which had imitated and infringed upon the Intellectual Property of our client. Therefore, this is to bring to the notice of all, that copying or duplicating or imitating and/or piracy of the intellectual property of our client, Symphony Limited, either by manufacturing deceptively similar Air Coolers or otherwise, shall invite the requisite legal action.

The honest and innocent persons, distributors, retailers or traders that may be unmindfully involved in such unlawful activities would also be liable for legal action, damages and losses. Therefore, in order to caution such honest traders, retailers and general public, this public notice is given, to put them to notice, not to engage in any unlawful activity including the imitation of the Air Coolers of our client and/or infringement of the Intellectual Properties of our client Symphony Limited and not to be misguided by the products of any other manufacturer.
